- KVB/Raffles College
- MacLeay College
- Macquarie Beauty College (Port Macquarie)
- Martin College (Study Group)
- Passmores College
- QANTM Australia (with SAE)
- SAE Institute (with QANTM)
- Taree Community College
- The Hotel School (Intercontinental)
- Tocal College
- William Blue College of Hospitality and Tourism (Think Education Group)
- Whitehouse Institute of Design

## SPECIALIST ORGANISATIONS
- Career Reference Centre – general job information, Youth Allowance and HECS
- Universities Admission Centre – Health Careers(on Newcastle Uni stand)

## TAFE
- Technical and Further Education (TAFE NSW) representatives for all colleges

## UNIVERSITIES
- Australian National University (ANU)
- Avondale College
- Bond University
- Charles Sturt University
- Macquarie University
- Southern Cross University
- University of Canberra
- University of Newcastle (with Health Careers)
- University of New England (UNE)
- University of New South Wales (UNSW)
- University of Notre Dame
- University of Sydney
- University of Technology Sydney
- University of Western Sydney (all campuses)
- University of Wollongong

## JOBS
- Australian Brick and Blocklaying Training Foundation (bricklaying jobs)
- Australian Defence Forces
- Australian Industry Group – many trades and many others huge employment contacts
- Building Trades – local company
- Job Find
- Mid Coast Group Training (traineeships & apprenticeships)
- Motor Traders Association
- National Australia Bank
- Newcastle Permanent Building Society
- New Apprenticeship Centre Taree (CWCC) (traineeships & apprenticeships)
- NSW Police Service
- Racing NSW (huge range of jobs)
- Teach NSW Department of School Education
- Wesley Uniting Employment (jobs)
HOW TO GAIN MAXIMUM BENEFIT FROM THE CAREERS EXPO

There are two ‘must do’ activities:

1. Prepare yourself before the day
2. Ask questions and get answers on the day

Preparing yourself for the day

- Research, research and more research. List University and college courses that interest you. Use guides (UAC; QTAC), handbooks and pamphlets from the universities and colleges. Careers Advisers may have CDs, DVDs and the OZJAC Program. Use online resources e.g. websites of Universities, your school website, goingtouni.com website www.myfuture.edu.au.
- As you research, write down questions that come to mind. Refer to the suggested questions listed in this booklet
- Be aware that courses with similar names and similar courses with different names e.g. B Teach and B Educ. have different content at different Universities. Read the course handbooks.
- Make a list of the representatives you wish to approach and the matters you need to discuss
- Decide which of the specialist representatives you need to see e.g Australian Tax Office

What to do on the day

- Ask questions. Don’t be shy. The Advisers are there to answer questions and provide information. That is their reason for coming to Taree. They prefer you to ask questions.
- You need thorough answers to questions. Spend some time with each representative.
- Don’t feel that because others are waiting you have to hurry or cut short your answers. They will have to be patient and wait their turn, just like you did. There is no reason to leave until all your questions have been answered.
- Go back a second and third time until you are satisfied your questions have been answered. If you think of another question, go back. The representatives appreciate persistence.
- Make sure you compare different courses and different institutions. Business courses at different places may allow wide ranges of subject selections and combinations that lead to different career paths.
- If looking for a job, bring copies of your resume to give to the job agencies.

CREDIT TRANSFERS

- Ask the private colleges and TAFE about credit transfers to University e.g. A Diploma at TAFE can often give you entry into second year university and can save you money.
- Some Universities even give entrance via Certificate III qualifications e.g. nursing.

NOTE: 1) TAFE Diplomas are an excellent qualification for many jobs. There are many Diplomas offered in Taree as well as other areas. Ask about them at the TAFE stand.
2) Consult this fantastic site for lots of ideas http://www.unioptions.com.au

Parents are Welcome
TRAINING INSTITUTIONS NOT IN UAC OR QTAC

ACADEMY OF INTERACTIVE ENTERTAINMENT
Place to go for a career in game development, 3D animation and Visual FX.

AUSTRALIAN COLLEGE OF APPLIED PSYCHOLOGY
Psychology courses

APM COLLEGE OF BUSINESS AND COMMUNICATION (Think Education)
Platform to launch a career in the dynamic worlds of marketing, advertising, communications, public relations and event management as well as entertainment and sports marketing. Scholarships available.

CAREERS EXPO PREPARATION

Read the Careers Expo Program and note the number of representatives and organisations accessible to you. There are many training providers available for you to discuss your future plans. Some are from universities, others from colleges, employers and support groups. Read the ways in which you can gain maximum benefit from the day. Highlight the courses and universities which interest you.

Obtain details of this year’s ‘cutoff’ marks, and suggested subjects for university and college courses. Be realistic in your choices of courses available to you.

Your major references will be:
School Careers Adviser and Careers Office resources including:
UAC and QTAC Guides Where do you do it:
Good Universities Guide Directory of Higher Education Courses
TAFE Handbook College and Training Guide
University and College handbooks, brochures, CDs, DVDs, videos, sound tapes, Job Guides,
Taree Careers Expo Program

Use the net and make online contact, OZJAC is one of the best resources. If you haven’t checked out OZJAC, you may miss some good courses. (OZJAC is finishing this year)

www.myfuture.edu.au – this site will tell you absolutely everything you need – courses scholarships, accommodation etc. Also check your School’s Careers website.

TRY TO ATTEND OPEN DAYS!!!!!

Applying for Entry to Universities and Colleges

The NSW and ACT universities contribute to the Universities Admission Centre (UAC) which processes application. All NSW HSC Students will receive an application form and UAC handbook through the school sometime in late July.

These will explain how to apply for entry to universities and the Australian Maritime College. Applications close towards the end of September. Once applications for the majority of courses are received by UAC, they may be changed until several days after you receive your HSC results. Check the guide for details as courses requiring auditions, interviews and submitted work may be excluded. All closing dates and information you require will be detailed in the UAC book.

Southern Cross University, U.N.E, Charles Sturt University, University of Canberra and University of Wollongong operate variations of a Regional Entry Scheme based on ATAR and school assessment. Most universities consider special entry for students disadvantaged in their schooling, find out more details at the Expo.

Queensland universities other than Bond have their applications processed by a similar body, Queensland Universities Admission Centre. Applications to interstate universities will require you to apply to their admission center online. The University of Northern Territory and the University of Tasmania may let you in with lower marks. Ask Newcastle, Charles Sturt, Southern Cross, New England Universities and Wollongong what ATAR’s are taken off for entry by our local students.

STAT Test – this is another means of getting into Uni without a ATAR. Look up your UAC book for details or go online. (Check this carefully as rules vary from University to University).

Uni Test – Go to http://unitest.acer.edu.au for details.

Colleges including TAFE
College applications will vary according to the institution. Consult all the available information before the Careers Expo, and talk with representatives on the day. Most institutions other than
TAFE offer scholarships. Ask about TAFE Traineeships. TAFE has several closing dates depending upon the courses you wish to do. Please check closing dates and application procedures carefully. Interviews may be required. Try www.tafensw.edu.au.

SPECIAL ENTRY SCHEMES
Universities reserve places for people who have been disadvantaged in some way. It may be because of a disability, isolation, a difficult home situation, financial difficulties, family illness, personal illness, disrupted schooling or some other reason. These schemes have various names; Lighthouse, Access etc or no name at all. They require an application and documentation. They are all in one booklet that your Careers Adviser will get.

SCHOLARSHIPS
Most places offer scholarships. The most financially rewarding are the Co op Scholarships and Chancellors Scholarships. These scholarships are a co operative arrangement between businesses and the university. The benefits are not only in financial terms. Assistance is given through university study and practical experience in your chosen field and taken with the host firm. Naturally, this leads to better job prospects. Find out about Commonwealth Scholarships for rural students. These are applicable to students in our area and are not dependent on marks (go to www.myfuture.edu.au) or check your School’s Careers Website.

Application forms for scholarships are available on the day. Ask about scholarships at all the Universities and Colleges present.

If you need more help please see your Careers Adviser.

Also check out www.myfuture.edu.au. This is the best all-round general careers and scholarship site available.

Allocated time at Taree Careers Expo is ________________________________

SCHOOL UNIFORM MUST BE WORN AT TAREE CAREERS EXPO

PARENTS ARE WELCOME TO ATTEND

Please make sure you have consulted the 2013 UAC book to check and confirm courses.

Note: This program is online at www.chatham-h.schools.nsw.edu.au/careerscareers.net
