Merit for post office manager

COL. Haines, who runs our local Lansdowne post office, has been recognised for his management of the post office by Australia Post with a certificate of merit.

Col's efforts have seen him named in the top 10 in the Hunter network for the month of October last year.

Col puts his success down to his loyal customers who keep him very busy.

Diners expected from far and wide

It looks as though tomorrow night is going to be a very busy one with people coming from far and wide to attend the special dinner being held in the Lansdowne Community Hall to celebrate the release of a heritage song of Lansdowne.

The song has been written and recorded by our local singer/songwriter, Heath Watts.

Organisers have been swamped with requests for tickets for the night.

Tyler selected to play in Spain

ELEVEN-year-old Tyler Potts was one of three girls to be chosen to play in the Australian representative Futsal team which will travel to Spain in November of this year.

Tyler is a student at Lansdowne School and plays with the Northern New South Wales Country team which just recently travelled to Sydney to play in the national championships. Tyler played well enough to be chosen to be in the under 13s team to represent Australia when they go to Barcelona in Spain.

Once there the team will train and play against Spain and teams from other participating countries.

Tyler's family and friends are now busy trying to raise the money so that she will be able to attend this once in a lifetime opportunity.

The team leaves on November 1 and returns on November 19.

If anyone would like to help with future fundraising efforts with donations or items that can be used in an auction or a competition, please contact her parents on 6556 7421. A bank account has been opened for any donation with the Westpac bank.
